

CHADWICK ARBORETUM & LEARNING GARDENS

2015 STUDENT STAFF OPENINGS

As student staff, Chadwick Arboretum will provide you with hands-on horticulture experience in our 60 acre public garden.

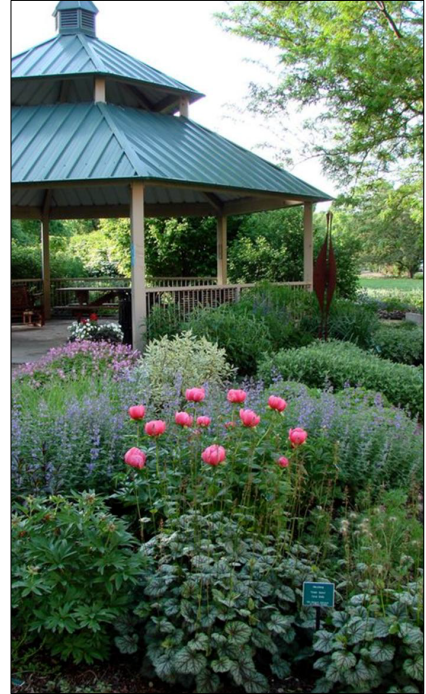

Job Opportunities: Currently hiring for full-time summer positions, with the possibility of continuing part-time during fall semester.

Expectations: Those applying for summer work will be expected to work 38 hours per week. All positions require occasional evening and weekend hours.

Duties: Daily maintenance of gardens, including watering, weeding, planting, pruning, mulching, removing leaves, mowing, and garden clean-up. Assist with managing volunteers and coordinating programs and events. A GIS position may be available.

Benefits:

- Acquire a basic foundation in gardening techniques and horticulture knowledge while working with professional horticulturists.
- Become familiar with horticulture tools and equipment.
- Explore career opportunities in horticulture and public gardens.
- Learn about the mission of Chadwick Arboretum & Learning Gardens, and the operations of a public garden.

Starting Rate of Pay:
\$8.50 per hour

To Apply: Submit questions and resume to Mike Pfeiffer at **pfeiffer.9@osu.edu**
